PARK LANE

SCHOOL OF MANAGEMENT AND RESEARCH

LEVEL 3 Computing Technology (UNIVERSITY FOUNDATION)

The Level 3 Diploma in Information and Digital Technologies is a 60 credit qualification and is equivalent to an A-level or Access to HE qualification.

This qualification been designed for learners who wish to progress to a related degree but may not have the entry qualifications usually required.

Learners are provided with the underpinning knowledge and understanding of a range of topics within the Information and Digital Technology environment.

These topics will allow learners to develop practical and theoretical approaches to solving problems and finding solutions using Information and Digital Technologies.

This qualification is eligible for Advanced Learner Loans through the Education and Skills Funding Agency. Please visit the ESFA Advanced Learner Loans catalogue for more details.

Learners aged 16+ looking to progress to a degree programme should consider studying two or three diplomas to total 120 or 180 credits, typically meeting the general entry requirements, and providing exemption from undertaking a foundation year programme.

Mandatory units:

- Introduction to Computer Programming
- Introduction to Computer Mathematics
- Introduction to Cyber Security

- Introduction to Digital Technologies
- Introduction to Emerging Technologies

- Introduction to Mobile Application Development
- Introduction to Web Development
